or such other routes as may be prescribed by the Competent Authorities from time to time.

1.3 The term “**Vessels**” will mean the watercrafts which are registered under the Inland Shipping Ordinance, 1976 as amended from time to time in case of Bangladesh vessels and Inland Vessels Act, 1917, as amended from time to time in case of Indian Vessels. This will cover vessels which carry only commercial goods stated in the preamble of the Protocol.

2. Conservancy and Pilotage:

2.1 Each country will maintain the river routes falling within its territory in a navigable condition and provide all the essential pilotage and conservancy services, including hydrographic surveys and supply of charts, if prepared and available for commercial navigational use to inland water transport operators and aids to night navigation where facilities for such navigation already exist.

2.2 Acknowledging that there may be routes or parts of routes in one country, primarily being used by the transit traffic of the other, the country maintaining such routes will provide aids to night navigation on such routes, provided the country using such routes pays, by mutual agreement, for the installation and maintenance of such aids. The amount to be paid and the manner of its payment shall be mutually agreed upon by the two sides.

3. Port dues and other charges:

3.1 Port dues may be levied by the competent authorities in either country on the vessels belonging to the other country and engaged in inter country trade.

3.2 The competent authorities in either country may also levy on the vessels of the other country charges for conservancy, pilotage and

other specific services at par with those charged from the local vessels. The charges will be determined with reference to cargo carrying capacity of the vessels, as applicable to local vessels. Charges for such services shall be paid within 30 (thirty) days of receipt of the bills by the Competent Authority, failing which further voyage will not be permitted.

3.3 Acknowledging that one country may be required to maintain routes or parts of routes primarily on account of the transit traffic of the other, the country utilizing such routes will provide to the other country an agreed sum of money for the maintenance of such routes including conservancy and pilotage.

3.4 The routes between Sirajganj and Daikhawa in the Northern Delta Section of the River Jamuna-Brahamaputra and the route between Sherpur and Zakiganj in the North Eastern Delta Section of the Kushiara river are recognized by both sides as routes being maintained primarily for the use of Indian transit traffic.

3.5 For the maintenance of the above mentioned services on these routes, the Government of India will pay to the Government of Bangladesh in convertible currency an amount of BD taka 550 lakh for the period April 1, 2011 to March 31, 2012.

4. Handling facilities:

Each country will permit the vessels of the other country to utilize all available cranes and other handling facilities on the same terms and conditions as are applicable to local vessels.

5. Supply of bunkers:

The vessels of either country plying between the two countries and also between places in the same country through the other country will be permitted to purchase the fuel required by them for the purpose of their operations on payment of the convertible currency. Vessels of one country may be bunkered at the following points of other country:

Bangladesh

Sheikbaria
Mongla

India

Kolkata
Budge Budge

Khulna	Haldia
Barisal	Namkhana
Chandpur	Karimganj
Narayanganj	Dhubri
Sirajganj	Jogigopa
Chilmari	Pandu

or at any other points as determined mutually from time to time by the Competent Authorities of both the countries.

6. Purchase of essential stores:

The vessels operating in either country will be allowed to purchase in convertible currency the stores which they may require for their operation during the voyage in the other country at places of bunkering. In order to do so, conversion facilities will be provided at the bunkering points.

7. Purchase of provisions by the fleet personnel during voyage:

Fresh good and other provisions essential for fleet personnel will be allowed to be purchased in either country to meet the requirements of voyage. The purchase will be made in convertible currency at the points of bunkering. In order to do so, conversion facilities will be provided at the bunkering points. In exceptional circumstances only purchases may be made at places other than the bunkering points. The appropriate authorities of either country may prescribe the manner in which such purchases may be made should it be deemed necessary.

8. Repair facilities:

Vessels of either country calling for urgent repairs on route will be allowed to have repairs done at the Government owned or any reputed marine workshop in either country with the prior permission of the respective Competent Authority. The expenditure incurred on such repairs will be reported by the operators to the concerned foreign exchange authorities for their clearance in accordance with the provisions of Article 25.

9. Assistance to be provided by either country to the vessels of the other in distress:

Each country will provide all the necessary facilities to the vessels of the other, which may be grounded or otherwise in distress during their voyage in its waterways. Expenditure incurred in salvage operations, if required on such occasions, shall be cleared in accordance with the arrangements to be made under Article 25.

10. Submission of voyage forecast for voyage permission to use waterways:

The vessels of one country before using the waterways of the other country will obtain the permission of the other country for entry. In such cases the voyage forecasts, in the prescribed form, for the vessels of one country will be submitted to the competent authority of the other country at least four days before the expected date of entry into the country of entry.

11. Nomination of "Ports of Call" on equal basis:

One country will provide the facilities of "Ports of Call" to the vessels of the other country engaged in inter country trade and number of such Ports of Call will be equal in both countries. Both sides agreed that the following would be treated as 'Ports of Call' in their respective country.

<u>Bangladesh</u>	<u>India</u>
Narayaganj	Kolkata
Khulna	Haldia
Mongla	Karimganj
Sirajganj	Pandu
Ashuganj	Silghat

12. Recognition of survey certificates and other documents:

The survey certificates and other documents issued by the appropriate authorities in one country for the vessels registered in it and running to or through the other will be recognized and accepted as valid by the other. These certificates or documents shall be produced by the Master of the vessels concerned at the points of entry and at the other points, as may be required, during the voyage.

13. Flying of Flags:

The vessels of each country will carry its national flag and the national flag of the country through which it is transiting besides its house flag.

14. Use of radio-telephone by river craft:

Inland vessels will be allowed to be equipped with radio-telephone for facilities of speedy commercial communications, specially in emergencies, in conformity with the current regulations of the country through which the vessels are in transit.

15. Registration and issue of identity cards:

The personnel manning vessels plying through or between the two countries shall carry certificate of employment and permits with a photograph of the concerned individual duly authenticated by the authorities to be nominated by the respective countries in regard to their personnel. Officers supervising or controlling the fleet of the operators in either country shall carry passport endorsed with multiple entry visas.

16. Permission to fleet personnel and traveling officers to go by rail, road or air in special circumstances:

Fleet personnel and traveling officers posted to any of the vessels, carrying transit cargo in either country will be allowed to travel by rail, road or air, whenever they are required to join duty on the vessels, or when they have to leave their duty on the vessels by reasons of sickness or other urgent contingencies. Such movements will be simultaneously reported to the appropriate authorities of either country.

17. Prohibition on vessels carrying transit cargo:

Vessels carrying transit cargo through one country will not be engaged in inter country trade and will not take or discharge cargo or passengers in the country through which they are passing. All necessary facilities for inspection will be accorded by each country to the customs and other agencies. No undue delay will be caused to the voyage of any vessels on account of such inspections.
